

From the Black Hills Playhouse

Dear BHP Jr. Campers and Families:

Like us, we're sure you're keeping up with the news on COVID-19 and wondering how this could affect BHP Jr. programs. As always, our top priority is the health and safety of our campers and staff.

It's not clear what the impact will be as we move forward, but clearly, we are going to need some serious fun and theatre magic when this is over. Times like these make us realize even more strongly how important it is for kids to **learn creative problem-solving**, **to be kind humans**, and **to move forward with positivity and strength**. It seems even more important in our changing environment to help kids master these skills.

~ CHANGES BEING MADE ~

In these trying days and the uncertainty of the future months, the BHP Staff, working closely with Placerville Camp, has decided to blend both camps into one week, July 26-August 1, 2020. This will give the world a couple more weeks to heal. We know this may not work for everyone registered for BHP Jr. 8-12 camp and **full refunds** will be made if cancellations need to be made. We do not know at this time if we will be doing one or two productions. BHP Staff will be reaching out to each 8-12 camper to confirm knowledge of these changes.

**If our summer camp programs are cancelled due to COVID-19, we will issue full refunds.**

As a staff, we continue to meet (remotely) and plan your BHP Jr. Performing Arts Camps. We are dedicated to moving forward! You will be the first to know if anything changes. In the meantime, you can call our office (605-255-4910, ext 3) at any time and leave a message for us. In addition, we all have access to email at [edu@blackhillspayhouse.com](mailto:edu@blackhillspayhouse.com) and will respond as soon as we are able.

THANK YOU for your continued support and your steadfast commitment to theatre education for kids. Let's take care of ourselves and each other.

*With Gratitude,*
